

Does your child have difficulty connecting with peers and making friends?
Do they struggle with carrying on effective conversations?

Social skills group therapy is just for them! Enroll your child in a fun and interactive group therapy session today. Our speech therapists will teach your child the necessary skills to build and maintain friendships that will last a lifetime!

WHAT YOUR CHILD WILL LEARN

- ✓ How to carry on an effective conversation by asking questions and making comments
- ✓ How to interpret body language and other non-verbal communication
- ✓ How to problem solve various social scenarios
- ✓ How to connect with peers, maintain friendships, and much more!

WHAT IT LOOKS LIKE

COVID-19 ADAPTATION

Due to our current circumstances, all groups are being run through Zoom online platform. Each session is 40 minutes 1x/week.

THERAPY GROUPS

Our goal is to have your child interacting with peers their own age. We offer groups ranging in ages 7-21 years old.

QUESTIONS

Please call our front desk at (951) 779 -1966 and ask about social groups for more information about times and pricing.
